**4A. Receive an update on Bridge Park**

- Nathan Bland – Asked if anyone had contacted Southwest Milam about possibly using their parking lot? Would like to see a pavilion at Bridge Park. Does not see a need to build restrooms at the park.
- Ashley Mantey – Contact the Master Gardeners for assistance with design. Should be a community effort. Could a graffiti wall be added?
- LC Richards – It would be nice to have parking on both sides. Since the park will be used as a rest stop, should consider adding a dog clean-up station.

**4B. Receive an update on Sumuel Park**

City manager gave an update on the park. No further discussion.

**4C. Receive an update on Moultry Park**

City manager gave an update on the park. No further discussion.

**4D. Receive an update on Veterans Park**

Ashley Mantey stated that Wi-Fi should be available at the park with capabilities to login as a guest. If possible, show community events on the login page. She stated that we need to provide publicity for projects and get student involvement. She also asked about painting on pool.

**4E. Receive an update on Bark Park**

- Ashley Mantey – Lots of people talk about needing a dog park in Rockdale.
- LC Richards – Dog park could be located at Bridge Park.
