Hotel Occupancy Tax Fund
Project/Event Grant Application Packet

NAME OF THE ORGANIZATION REQUESTING FUNDS:

Revised as of 2018
Overview of the Application Process

This packet was designed to establish guidelines to apply universally to all events requesting funds from the City of Rockdale in regards to financial support from the City Hotel Occupancy Tax (HOT) Fund. There are stringent requirements in the Tax Code regulating the use of HOT funds. A copy of the applicable sections of the Tax Code has been included in this packet for your review.

The City will review the application and make recommendations to the City of Rockdale City Council regarding approval or denial of the request and give additional comments as to the size of the financial funding request based on estimated economic impact relevant to the request, as well as taking into consideration the need for local community economic impact relevant to the community calendar. The City will work with the applicant to ensure that all necessary documentation is included when presenting to the City of Rockdale City Council. The City of Rockdale City Council will make the final decision on funding the event and at what level.

Rules Governing Your Application

1. The applicant must present reasonable evidence that the event will directly impact the hotel/convention business AND promote tourism in the City of Rockdale.

2. For any applicant applying for HOT funds to advertise an event, the City requires these funds focus on targeting visitors outside a 50 mile radius of the City of Rockdale. Applicant must also attach a copy of their marketing plan for advertising including (1) venue for advertising; what medium (magazine, newspaper, radio etc.); (2) rate card/sheet for said venue (3) expected run date or issue.

3. After the application process is complete, the applicant may be expected to present an overview to the city manager to evaluate application items such as visitor attendance of the event, hotel selection, and overnight stays directly attributed to the event. If initial estimates upon which the event funding was predicated were not met, the city manager will recommend an amount of reimbursement back to the HOT Fund.
Process Overview

The Pre-Event Funding And Reimbursement Process:

1. The City of Rockdale reserves the right to decide how funds will be dispensed; annually, quarterly, or monthly.

2. The City of Rockdale reserves the right to decide if partial or all funding should be reimbursed to the city provided the organization or event did not meet the requirements of said contract.

3. The City of Rockdale reserves the absolute and ongoing right to conduct an audit of anyone receiving HOT Funds to ensure correct use of HOT Funds.

The Post-Event Process:

The Post Event Analysis must include all of the items outlined in the application, including samples of advertisements produced with the use of HOT funds. If the Post Event Analysis and the final accounting of room nights are not received by the due date, the City of Rockdale reserves the right to reject any future application by the organization and to request reimbursement of partial or all HOT Funding.

It is the responsibility of the event to monitor the number of out-of-town guests who stay in City of Rockdale lodging properties in relation to their event. It is strongly recommended to work with the local hotels to ensure proper credit and tracking. Some suggestions for tracking out-of-town guests would be to use a zip code tracking system or tracking through hotels. Please note that stated room nights generated will be subject to an audit by the City of Rockdale.

A hotel list has been included in this packet for your reference in coordinating room blocks and/or directing people to overnight accommodations.

It is extremely important that applications be filled out completely and accurately.

A “Two Part Test” is considered in evaluating each funding request.

**Part 1:** Does every expenditure of hotel taxes put “heads in beds” or promote the city’s hotel industry?

**Part 2:** Does every expenditure of hotel taxes fall into one of the nine statutorily authorized categories listed below in Part 2?

Thus, if an event or project puts “Heads in Beds” or meets Part 1, it cannot receive hotel tax money unless it also fits into one of the 9 categories, Part 2. The request must meet both parts of this scoring or test.

**Part 1**

**Score 0 – 50:**

Each expenditure must directly enhance and promote tourism and the convention and hotel industry. Does the request or application’s intent result in marketing or advertising that puts “Heads in Beds”?

- Has this event taken place in Rockdale before or this project resulted in “Heads in Beds”? If yes, when and how often?
- **YES**  □  **NO**  □

- What is the number of Tourists staying the night in a local Hotel?

**NUMBER OF TOURISTS**

- For every HOT dollar spent on an event or project, $10.00 in gross revenue must be realized by the hotels that collect the HOT funds. What is the expectation for the number of room nights to be sold for this event or project? For example, if an event is a community picnic, parade or other similar event, it is not likely to attract tourists and hotel guests and would not be eligible for HOT funding. *

**ANTICIPATED NUMBER OF ROOM NIGHTS**

**ANTICIPATED GROSS REVENUE**
PART 1 TEST, Continued

➢ Will the funded event be held at a venue that will attract tourists and hotel guests? For example, an event held at a local school may be less likely to attract tourist than if it is held at a local performing arts venue, museum, or civic center.

YES ____ NO ____

Part 2

Score 0 – 50: ________

Does the expenditure of HOT funds address at least one of the following?

1. Funding the establishment, improvement or maintenance of a convention center or visitor information center. (The facility must be primarily used to host conventions and meetings. “Primary used” in the context would mean that 50% of the bookings for the facility are the host conventions or meetings that directly promote tourism and hotel/convention industry). Holding a local community meeting or function in the facility does not qualify. Attendees must stay at local hotels.

   YES _____ NO _____

2. Are the HOT funds to be used for administrative costs that are incurred for assisting in the registration of convention delegates or attendees?

   YES _____ NO _____

3. Are the HOT funds being used for advertising, solicitations, and promotions that attract overnight tourists to Rockdale?

   YES _____ NO _____

4. Are the HOT funds to be used for promotion of the arts? Does this expenditure exceed 15% of HOT funds spend in total for the arts or more than 1% of the cost of a room for this type of event?

   YES _____ NO _____
5. Are the funds to be used for historical restoration or preservation programs?

YES _____ NO _____

6. Are the funds to be used for certain expense, including promotional expense directly related to a sporting event where the majority of the participants are tourists that substantially increase hotel activity?

YES _____ NO _____

7. Funding for transportation systems for tourists. Transportation must be from the hotel for hotel guests only to the event venue, other hotels in the city or any designated tourist destinations in the city.

YES _____ NO _____

8. Signage directing tourist to sights or attractions that are visited frequently by hotel guests in Rockdale.

YES _____ NO _____

TOTAL SCORE: ________ POINTS

265 total hotel rooms in Rockdale
City Council approved $30 per night per room
265 x $30 = $7,950 max for one night
Subject to Hotelier validation
