**Re: State Fiscal Year 2019 Drinking Water State Revolving Fund (DWSRF)
Application Invitation**

Dear Mr. Whitaker:

We are pleased to provide you this official notice that the City of Rockdale is hereby invited to submit an application for funding to the Texas Water Development Board (TWDB) through the Drinking Water State Revolving Fund.

The proposed project is listed in the Intended Use Plan (IUP) as being eligible to receive funding as shown below:

Project Description	Water Distribution Improvements
Eligible Phases	Planning Design & Construction
Project Information Form Number	12625
Eligible Project Costs	\$45,090,000

Your proposed project has also been identified as eligible to receive principal forgiveness reserved for Disadvantaged Communities. The actual principal forgiveness amount will be reviewed, and a determination made, once your completed application is received and reviewed, based on the IUP and funding availability.

In order to be considered for funding your application must be submitted by **October 5, 2018**. Applications received after the deadline do not retain their original ranking and will be considered on a first-come, first-served basis. Application submittal guidance and the related application materials may be found on our website at www.twdb.texas.gov/financial/applications/.

A pre-application conference is a requirement of the Drinking Water State Revolving Fund program. If you have not already scheduled yours, please contact Dannelle Tejada by phone at (512) 463-8492 or by e-mail at dannelle.tejada@twdb.texas.gov. They will be able to assist you with scheduling a meeting prior to your submission of the application.

We look forward to working with the City of Rockdale on its project. Please contact me by phone at (512) 463-7052 or by email at Mark.Wyatt@twdb.texas.gov, should you have any concerns or questions.

Sincerely,

A handwritten signature in black ink that reads "Mark Wyatt". The signature is written in a cursive style with a large, stylized "M" and "W".

Mark Wyatt
Director, Program Administration and Reporting
Water Supply and Infrastructure
