

**PATTERSON COMMUNITY CENTER
CITY OF ROCKDALE
ROCKDALE, TEXAS**

6200 TOTAL SQUARE FOOTAGE
SCALE: 1/8" = 1'-0"

Attached find a floor plan that can be used for table/chair layout. The building is approximately 52'-0" x 122'-0" and is approximately 6,200 S.F. According to the 1997 Standard Building Code the square foot assembly space could support 600 people seated maximum. However, from a practical standpoint this number should be 450 maximum. Table seating, with maneuverable space would decrease this count.
