Article 1. Purpose

Section 1.01. Basic Objectives.

The objective of this Personnel Policy is to facilitate efficient and economical service to the public and to provide for a fair and equitable system of personnel management. While these rules and policies include precise statements of policies and procedures, they are not intended to cover every conceivable personnel situation that may arise. These policies are subject to the City Charter and may be supplemented with administrative regulations in addition to the rules and policies set forth. For this reason, considerable latitude is given to the City Manager for administration of these policies. It is expected that amendments and revisions affecting personnel policies will be made from time to time as necessary and desirable in the discretion of the City Manager, subject to approval by the City Council.

Section 1.02. Applicability.

These rules shall apply to and govern all employees of the City of Rockdale, except to the extent, if any, inconsistent with State or federal law. Words used in the singular shall be construed to include the plural and words used in the masculine or feminine gender shall be construed to include both genders.

Article 2. General Provisions

Section 2.01. Code of Ethics.

All employees shall strive to uphold the Constitution and laws of the United States, the State of Texas, and the Charter and ordinances of the City of Rockdale, and all employees shall also strive to be:

- (a) Honest and trustworthy in what they say and write and in all professional and employment relationships;
- (b) Dedicated to providing quality services by being cooperative and constructive, and by making the best and most efficient use of available resources;
- (c) Fair and considerate in the treatment of fellow employees and citizens, addressing concerns and needs with equity, granting no special favors;
- (d) Committed to accomplishing all tasks in a superior way, and abstaining from all job behavior that may tarnish the image of the City or public service;
- (e) Aware and recognize that public and political policy decisions are ultimately the responsibility of the City Council; and
- (f) Dedicated to service to improve the quality of life in the City of Rockdale.

This Code of Ethics requires hard work, courage, and difficult choices. However, employees and citizens will be better served by doing what is right rather than what is expedient.

Section 2.02. Political Activity.

When on duty or in uniform, an employee of the City may not engage in any political activity relating to a campaign for any elective public office. No employee of the City shall, at anytime, make, solicit or receive any contribution to the campaign funds of any party, interest group or candidate for use in any city election; and no employee shall participate in any political activity or campaign for or with respect to any candidate in a City election.

For the purposes of this section, a person engages in a political activity if the person:

- (c) wears a campaign button;
- (d) circulates or signs a petition for a candidate;
- (e) solicits votes for a candidate; or
- (f) solicits campaign contributions for a candidate.

When not on duty or in uniform, an employee of the City may engage in political activity for and with respect to political parties, candidates and elections for and with respect to governments and entities other than the City; provided that an employee may not under any circumstance use the fact of his/her City employment to solicit campaign contributions for a candidate other than from members of an employee organization to which that person belongs; and provided further that this provision shall not be interpreted to prevent any employee of the City from making private comments to friends, family and co-workers about or with respect to any candidate for office.

Section 2.03. Disclosure of Religious Affiliations.

No question in any text in any application form or in any personnel proceeding, or of any appointing authority, is intended to or shall be so framed as to attempt to elicit information concerning religious affiliations of any applicant or employee. No appointment to, or removal from, a position with the City shall be affected or influenced in any manner by any religious opinion or affiliation. Employees may decline to respond to any inquiry regarding religious affiliation.

Each employee may be required to work on a regularly scheduled day off. Refusal to work will be grounds for dismissal.

Section 5.07. Holidays.

The City will observe holidays as approved by the City Council. The City Council may add, change, or delete the official holidays. The following provisions shall apply to holidays:

- (a) As many employees as reasonably possible in the discretion of the City Manager shall be given each holiday off consistent with the maintenance of essential municipal functions.
- (b) Regular non-exempt employees shall be entitled to a paid holiday equal to the hours regularly scheduled work day worked of such employee's regular rate of pay. No hours worked will be reflected on the employee's time sheets for holidays for which the employee is paid and does not work.
- (c) For all employees regularly scheduled to work Monday through Friday, if a holiday falls on Sunday, the holiday will be observed the following Monday. If a holiday falls on a Saturday, the holiday will be observed the proceeding Friday. For all other employees working a seven-day a week flexible schedule, the holiday shall be observed on the day upon which it falls.
- (d) Temporary employees may be given holidays off without pay.
- (e) An employee who is absent without authorized, pre-approved leave time on the working day immediately preceding or following a holiday, will lose pay for the holiday. Authorized leave is time defined as pre-approved vacation time, bereavement, verified emergency leave or an illness that pre-dates the holiday or is physician-verified.
- (f) Holidays falling within an employee's approved vacation period or within a period of absence approved for sick leave shall not be charged against the vacation or sick leave.

Section 5.08. Sick Leave.

- (a) **Definition and Accrual Rates.** Sick leave is defined as fully compensable absence from work arising from any illness, sickness, off the job accidental injury, or on the job injury as defined or allowed by Section 5.11 of this Article. All regular full-time employees shall accrue **96 hours of sick leave per year, which is equal to** 8 hours of sick leave for each month of service or twelve (12) working days per twelve (12) calendar months of employment, up to the maximum number of hours permitted by this Section. Use of accrued sick leave will commence after the first **three (3)** months of employment. Part-time employees shall accrue sick leave in proportion to hours worked. Temporary employees shall not accrue sick leave.
- (b) **Maximum Sick Leave Accrual.** Unused sick leave time may be accumulated up to a maximum of 1040 hours. Unused sick leave will only be paid in accordance with the conditions of 5.08(e).
- (c) **Proper Use of Sick Leave.** Sick leave shall not be considered as a right which an employee may use at the employee's discretion, but shall be allowed only in case of necessity and actual sickness or disability of the employee or, in instances which qualify under FMLA, the employee's child, parent, or spouse or a legal dependent of the employee or the dependent's spouse.
- (d) **Reporting Sick Leave Absences.** In order to receive compensation while on sick leave, an employee shall notify the employee's immediate supervisor within the hour prior to the time set for the employee to begin the employee's daily duties. If the employee is unable to contact his/her supervisor, the employee shall notify the supervisor's designee. Failure to give such notification, except in emergency or unusual circumstances, will cause an employee's absence to be charged as "leave without pay", and shall subject the employee to disciplinary action and or termination.
- (e) **Evidence of Illness.** Sick time in excess of two **consecutive** days OR three or more days during a two-week period is paid only if the employee provides a doctor's written statement, evidencing the employee did seek medical attention, showing the time of appointment or the time he or she was seen by the doctor, which would allow us to apply the appropriate travel time for this appointment, and if unable to return to work the date the doctor thought the employee should be able to resume his or her duties. In the event employee will not or does not furnish said notice, the time missed can be charged against any earned vacation time due the employee, at the employee's option. In the event the employee does not have vacation time available, the employee will not be paid for the time missed. An employee claiming absence due to illness or injury for himself/herself is required to produce a doctor's written statement giving a release for him/her to return to work. Failure to provide such a doctor's statement may result in disciplinary action and or termination.

(f) **Sick Leave Reimbursement.** An employee may be reimbursed for unused sick leave under the following conditions:

1. Employees with five (5) **continuous** years of service;
2. **The equivalent of** thirty days accumulated sick leave, and
3. No more than 25% (3 days) of sick leave used during calendar year.

Employees meeting the above conditions are eligible to exchange the balance of three days, less actual sick leave used for a cash incentive of \$50.00 per day. The maximum incentive to any employee is \$150.00 per calendar year. For the purposes of this policy only, calendar year commences in December and ends in November. Federal law will require appropriate withholding to be made.

The following is an example of the reimbursement plan:

Days Earned	Days Taken	Eligible for Exchange	Exchange Value
12	0	3	\$150
12	1	2	\$100
12	2	1	\$ 50

Section 5.09. Military Leave.

Military Leave Allowance. Military leave will be permitted as required by §431.005, Tex. Gov. Code, which provides in part as follows:

"(a) All officers and employees of the State of Texas and of any county or political subdivision thereof, including municipalities, who shall be members of the State Military Forces, or members of any of the Reserves Components of the Armed Forces, shall be entitled to leave of absence from their respective duties without loss of time or efficiency rating or vacation time or salary on all days during which they shall be engaged in authorized training or duty ordered or authorized by proper authority, for not to exceed fifteen (15) days in any one calendar year."

"(b) Members of the State Military forces, or members of any of the reserve components of the Armed Forces who are in the employ of the State of Texas, who are ordered to duty by proper authority shall, when relieved from duty, be restored to the position held by them when ordered to duty."

Section 5.10. Emergency Leave.

- (a) **Emergency (Funeral) Leave.** All regular employees may be granted emergency (funeral) leave with pay as follows with supervisor's prior approval:
- (1) For a period not to exceed three (3) days – Employee's spouse, father, mother, brother, sister, son, daughter, step-son, step-daughter, grandfather, grandmother, grandchild and step-grandchild.
 - (2) For a period not to exceed two (2) days – Employee's Aunt, Uncle. Spouse's father or mother, brother, sister, grandmother, grandfather.
 - (3) For a period not to exceed four (4) hours – employee's personal involvement of a non-family funeral.

It will be the employee's responsibility to establish relationship of kin to protect emergency (funeral) leave pay.

Section 5.11. Injuries.

- (a) **General.** Unpaid leave resulting from or necessitated by injury shall not exceed 90 consecutive calendar days. Leave for more than 90 consecutive calendar days constitutes an unusual hardship on the City and may result in termination of employment. The City will have the right to follow the usual procedure to fill any position previously held by an employee that has been on leave for more than 90 days.
- (b) **Injury On the Job (Leave and Compensation).** Injury leave is defined as compensable absence from work arising from an on the job accidental injury. When an employee is injured on the job, such injury shall be immediately reported to the employee's supervisor, who shall take the steps the supervisor feels necessary to secure proper first aid or other treatment for the injured employee. The employee shall also complete an accident report and forward copies to the HR Director within next working day after the accident. The department head shall, to the extent the employee is aware of the injury, be further responsible for causing the report to be promptly completed and delivered to the HR Director. An employee on injury leave will not accrue vacation time or sick leave while off duty. Accruals will begin upon date employee returns to work.

An employee injured on the job shall be granted injury leave, without pay except as listed below, for the period not to exceed 90 consecutive calendar days. A doctor's statement that the employee is unable to return to work shall be required for an employee to receive injury leave. The continuation of injury leave so granted shall be in the discretion of the City and, subject to these policies and applicable law, may be terminated at any time.

In the event that an employee is injured by external and violent means while engaged in the actual performance of duties and the employee is temporarily incapacitated as a direct result of such injury, the employee may be entitled to injury leave at full pay for a period of seven (7) working days following the day of injury.

In the event that an employee is temporarily incapacitated as a direct result of such injury for 28 days or more, and therefore paid by TML for the first seven (7) working days following the day of injury, the employee shall reimburse the City of Rockdale for wages paid during the first seven (7) working days.

Any employee so injured on the job shall be covered by and entitled to the benefits provided under the Texas Worker's Compensation Act. Such employee's fitness and duty to return to work shall be determined under the provisions of the Worker's Compensation Act. During the period of such injury leave, the employee's compensation will be made up from (1) the weekly benefits payable under the Worker's Compensation Act; (2) the disability benefits, if any, payable under the City group health and accident insurance program; and (3) sick leave pay, from accrued sick leave if any, in an amount that when combined with other benefit payments may equal but shall not exceed the employee's regular salary. An employee shall forfeit all rights to injury leave, as distinguished from the employee's rights under the Worker's Compensation Act, if the employee: (1) is found to be working on a self employed basis or for any other employer, either part-time or full-time, for financial gain, (2) resigns from City employment, (3) is discharged, (4) retires or dies, (5) fails or refuses to comply with or follow, or disregards or violates the treating physician's instructions regarding treatment and/or rehabilitation of the injury, (6) refuses to perform light, partial or part-time duty when offered by the department head and which does not require the employee to perform activities which are restricted by the treating physician, (7) falsifies or misrepresents his/her physical condition or capacity, (8) refuses to return to duty on the working day the employee has been released to duty by the treating physician, **or** (9) fails to submit an acceptable physician's statement when requested by the employee's supervisor. Prior to returning to work, the employee must provide a written release from the treating physician stating that the employee is released to return to regular duties with no restrictions.

- (c) **Non Job Related Injury** (Leave and Compensation). An employee injured or becoming ill off the job shall have the resulting absence from work, if any, charged against the employee's accumulated leave at a rate of one full hour for each full working hour's absence.

After the expiration of the employee's leave time all compensation payment by the City will cease. Leave beyond this shall be addressed under the Family Medical Leave Act (See: Article 5, Section 5.17). Leave beyond the allowable time addressed under the Family Medical Leave Act (12 weeks) may result in termination of employment. Prior to returning to work, the employee must provide a written release from the treating physician stating that the employee is released to return to regular duties with no restrictions.

- (d) **Accidents Involving Motorized Equipment.** If an employee is injured while operating motorized City equipment or if an auto accident in which the employee is injured occurs while the employee is on duty, a motor vehicle accident report form, as provided by the State, shall be prepared by the City's Police Department. The HR Director and department head shall be immediately notified and the department head shall respond to the scene of the accident. A copy of the Police Department's accident report, and, to the extent possible given the employee's injuries, an accident report completed by the employee and the department head, shall be filed with the Personnel Office within the next working day.

Section 5.12. Professional Leave with Pay.

Department heads may grant employees special leave with pay and actual expenses to attend professional conferences, conventions or short courses or to visit other cities in the interest of the City, as authorized by the City Manager. The City Manager shall also determine whether or not an employee attending any such training will use a city vehicle, or be reimbursed for mileage for use of a personal vehicle.

(a) **Transportation.**

- (i) An employee using a private motor vehicle for transportation incurred on official City business will be reimbursed at the prevailing rate the Internal Revenue Service allows for reimbursement, not to exceed the total amount authorized in the City's budget. Mileage will be allowed for the most direct route on major highways. The point of departure for each travel expense shall be City Hall.
- (ii) Toll roads may be used by necessity as an entry or bypass to a city during rush hour. The City Manager may review toll road fees and, if found to be in violation, require the employee to reimburse the City. When necessary, TxTags purchased by the City should be utilized to keep toll expenses to a minimum.
- (iii) When using air travel or other forms of public transportation, receipts must accompany the expense report. Parking, tolls, and other incidental costs incurred must be supported by receipts. If travel involves the use of a rental car, the cost of the rental car plus any fuel charges that are supported by receipts are eligible for reimbursement.
- (iv) When two or more employees on City business travel together, only one may claim the mileage reimbursement. This provision does not preclude any passenger from receiving reimbursement for other eligible expenses.

- (v) Air travel or other forms of public transportation may be eligible for reimbursement of the total cost when it is to the City's benefit, even though it costs more than private motor vehicles.
- (b) **Lodging.**
- (i) Reimbursement for lodging will be actual single rates. Lodging receipts must accompany the expense report.
 - (ii) If two or more employees share room, reimbursement may be claimed by only one employee.
- (c) **Meals.**
- (i) Employees traveling outside the City on official City business shall be reimbursed at the **following rate**, not to exceed the total amount authorized in the City's budget:
 - a. **Breakfast – maximum of \$10**
 - b. **Lunch – maximum of \$15**
 - c. **Dinner – maximum of \$25**
 - (ii) Employees will not be allowed reimbursement for a meal if the meal is furnished as part of the hotel charge or seminar registration.
 - (iii) For one-day training or conferences, the first and last meals may be eligible for reimbursement based on distance to class (must be greater than 70 miles from Rockdale City Hall) and the class times. Any first and last meal reimbursements for one-day classes must be approved by the City Manager.
- (d) **Expense Report.** All claims for travel reimbursement must be submitted on **the Travel Request/Expense Voucher** form designated by the City Manager. This report must be signed by the person requesting reimbursement of travel expenses and by their respective department head when applicable. **The form requires pre-authorization to be completed at least 7 days prior to travel.** The **reconciliation portion of the** report must be complete, accompanied by all required receipts, and submitted not later than 30 days after the date of travel. Adult beverages are at the expense of the employee and not a reimbursable expense by the City.

Expense reports for official City functions at which meals are provided should include a guest list along with receipts. Prior approval by the City Manager is required. No adult beverages will be reimbursed with City funds unless approved by the City Manager.

Section 5.13. Leave to Attend Voting, Jury Duty, Court Subpoenas.

The City shall grant jury duty leave for an employee summoned to serve on any grand, petit, or municipal court jury. The City shall not dismiss an employee from employment because of the nature or length of the employee's jury service. When an employee is on jury leave, he or she shall continue to receive his or her regular rate of pay in addition to any per diem received by the employee from the state or the court for jury service. An employee may retain his remuneration for this service. The time spent on jury duty that coincides with the employee's regular work time is counted as straight time for overtime calculation purposes.

If an employee is chosen as a juror, they must notify their supervisor immediately and fulfill the citizenship obligation. If the employee is not selected as a juror, the employee is required to report back to work upon being released from service unless the work period remaining is less than one hour. If the work period remaining is less than one hour, the employee is expected to report to work on their next scheduled shift.

All employees must provide proof of attendance from the presiding court to their supervisor upon their return to work. Proof of attendance must be attached to the employee's time sheet.

Section 5.14. Leave of Absence.

Department heads may grant leaves of absence without pay to any employee, with the approval of the City Manager, not to exceed thirty (30) days in duration. Requests for such leave shall be in writing and submitted well in advance of the date the employee will commence such leave. Leaves of absence without pay may be granted for any legitimate purpose; however, employees will be obligated to show that the granting of such leave will not materially affect productivity of the Department. Leaves of absence without pay in no case shall exceed thirty days, except as allowed under the Family Medical Leave Act or similar federal and state laws. **Employees granted a leave of absence will be required to call or "check in" with their department head at least once per week during their scheduled absence.**

Section 5.15. Absence Without Leave.

No employee may absent himself from duty for a day or any part of a day without permission of the employee's department head. Any such absence will be without pay and will subject the employee to disciplinary action up to and including termination.

Section 5.16. Physical Incapacity To Perform Assigned Work.

Once it is determined by the department head or the department head's designee, based on the assessment of a licensed medical doctor, that an employee is not able to perform the required physical duties or tasks of the present position (regardless of whether the incapacity is due to on

the job injuries, off the job injuries, or illness), then that employee will not be returned to full duty with the City until a medical doctor states in writing that the employee is able to perform all the required physical tasks or duties of the position.

Once an employee has exhausted all sick leave, vacation leave, or injury leave granted under the previous sections of this chapter, additional leave may be addressed under the Family Medical Leave Act (See: Article 5, Section 5.17). After any additional leave authorized by FMLA is exhausted employment may be terminated; provided the employee may retain the City's health insurance if the employee notifies the HR Director and pays the rate as established by the City as required by the Consolidated Omnibus Budget Reconciliation Act ("COBRA"). Such coverage shall be limited to the minimum lengths of time established by COBRA.

Section 5.17. Family and Medical Leave.

(a) **Definitions.** For the purposes of this policy, the following definitions will apply:

"Health care provider" means a doctor of medicine or osteopathy who is authorized to practice medicine or surgery, as appropriate, by the state in which the doctor practices; or any other person determined by the U.S. Secretary of Labor to be capable of providing health care services.

"Parent" means the biological parent of any employee or an individual who stood in loco parentis to an employee when the employee was a minor.

"Reduced schedule leave" means a leave of absence schedule whereby an employee's hours per work week or hours per work day are reduced below the employee's usual number of hours per work week or work day.

"Serious health condition" means an illness, injury, impairment, or physical or mental condition that involves either (1) inpatient care in a hospital, hospice, or residential care facility; or (2) continuing treatment by a health care provider.

"Son or daughter" or "child" means a biological, adopted, or foster child, a step child, a legal ward, or a child of a person standing in loco parentis who is (a) under eighteen (18) years of age or older and incapable of self-care because of a mental or physical disability.

(b) **Eligibility.** In order to be entitled to family or medical leave under this policy, an employee must have worked for the City, as of the day leave commences, for a total of at least one year, and must have worked at least 1,250 hours during the twelve (12) month period preceding the leave.

Provided the eligibility requirements set forth above are met, an employee will be entitled to unpaid leave, up to a maximum of twelve (12) weeks of leave during any twelve (12) month period, for one or more of the following:

- (i) Because of the birth of a child of the employee and in order to care for such child;
- (ii) Because of the placement of a child with the employee for adoption or foster care;
- (iii) In order to care for the spouse, a child, or a parent of the employee if such spouse, child, or parent has a serious health condition; or;
- (iv) Because of the employee's own serious health condition that makes the employee unable to perform the functions of the employee's position.

Entitlement to leave for the birth of a child or for the placement of a child with the employee for adoption or foster care expires twelve (12) months after such birth or placement with the employee.

- (c) **Leave Options.** An employee may, at the employee's option, first charge leave authorized under this section to accrued vacation leave, or, if the leave time qualifies for sick leave, to accrued sick leave, or to a combination of accrued sick and vacation leave. If the employee elects to charge leave time authorized by this section to accrued vacation or sick leave, the employee may obtain unpaid leave for the balance of any eligible leave requirements; provided that except with the written approval of the City Manager no employee shall be entitled to more than 12 weeks of leave, whether vacation, sick, unpaid or a combination of such leave time, during any consecutive 12 calendar months.
- (d) **Spouses Employed By the City.** If both husband and wife are employed by the City and both are otherwise eligible for leave under this policy, the husband and wife will be restricted to a combined total of twelve (12) weeks of leave during any twelve (12) month period as to leaves taken for the care of a new child (whether through birth, adoption, or placement for foster care), or for the care of a parent with a serious health condition. Leave entitlement for spouses who are both employed by the City is not aggregated for leaves necessitated by the serious health condition of a spouse, child, or for the employee's own serious health condition.
- (e) **Foreseeable Leave. Obligations of Employee.** Where the necessity for leave is foreseeable due to the expected birth or placement of a child, the employee must provide the City with no less than thirty (30) days advance notice of the intent to take leave, except that if the date of the birth or placement requires leave to begin within less than thirty (30) days, the employee must provide as much advance notice as is practicable. As to leaves due to a serious health condition of the employee or the employee's spouse,

child, or parent, where the necessity for leave is foreseeable based on planned medical treatment, the employee must:

- (i) Make a reasonable effort to schedule the treatment so as not to unduly disrupt city operations (subject to the health care provider's approval); and
 - (ii) Must provide no less than thirty (30) days advance notice of the intent to take leave, except where the date of treatment requires that the leave be within less than thirty (30) days, in which case the employee must provide as much advance notice as is practicable.
- (f) **Reduced Schedule Leave.** A leave of absence due to the serious health condition of the employee or the employee's spouse, or child can be taken on an intermittent or reduced schedule basis, if and when intermittent or reduced schedule leave is determined to be medically necessary by the health care provider. Leave for the birth or placement of a child, however, cannot be taken intermittently or on a reduced schedule basis without the specific agreement of both the employee and the City.

Where leave is taken on an intermittent or reduced schedule basis, the total amount of leave to which the employee is entitled under this policy will be reduced only to the extent of the leave actually taken by the employee on the intermittent or reduced schedule basis, i.e. the total leave time for which the employee is eligible will not be reduced beyond the aggregate amount of leave actually taken on an intermittent or reduced schedule basis. Where intermittent or reduced schedule leave is taken, the City may require the employee to transfer temporarily to an available alternative position for which the employee is qualified, offering equivalent pay and benefits, and which will accommodate recurring periods of leave better than the employee's regular position.

- (g) **Certification of Necessity for Medical Leave.** In order to obtain a leave necessitated by a serious health condition (whether of the employee or of the employee's spouse, or child) the employee must provide the City, in a timely manner, with written certification from the health care provider which states:
- (i) the date on which the serious health condition commenced;
 - (ii) the probable duration of the condition;
 - (iv) the appropriate medical facts known to the health care provider regarding the condition.
- (h) **Leave Accruals.** During an extended leave of absence, an employee will cease to accrue vacation and/or sick leave. Accruals will begin upon the date the employee returns to work.

- (i) **Interpretation and Application of This Section.** This Article and section shall be interpreted and applied by the City in a manner consistent with the Family and Medical Leave Act, 42 USCA § 2601. et. seq. In the event of a conflict between any provision of this section and such Act, the terms and provisions of the Act shall govern and control.

Article 6. Wages and Salary

Section 6.01. Application of Rates.

All employees occupying a position in the salaried or hourly status shall be paid a weekly, semi-monthly, bi-weekly or monthly salary or wage. If an employee begins service in the middle of a pay period, the employee will be paid at the equivalent hourly rate for the total hours worked during that pay period where and when applicable.

Section 6.02. Performance Based Pay Increases.

Pay increases for employees shall not be automatic but shall be based on performance and to reward employees for ability and efficiency in performing their duties. Length of service is not considered a valid basis for requesting performance based pay increases since longevity or service pay is designed to compensate employees for their years of service. Performance based pay increases may be granted only by the City Manager on recommendation of the department head.

Section 6.03. Part-time and Temporary Rates.

An employee who works regularly at less than the established work day or work week shall be paid by the hour at a rate proportional to the amount of time worked. Temporary employees shall not receive retirement benefits, health or dental insurance, vacation leave, sick leave or holiday pay. Part-time employees shall receive retirement benefits, health and dental insurance.

Section 6.04. Termination Pay.

All employees who terminate employment with the City shall receive all pay which may be due, subject to the following qualifications and exceptions:

- (a) Regular full-time and part-time employees will be paid for accrued vacation leave and accrued compensatory time; and
- (b) If any employee terminates before the end of a pay period, the employee will be paid for the total hours actually worked through the employee's termination date at his/her calculated hourly rate;

provided that payment for accrued vacation may be denied, or reduced, if the termination of the employee results from wrongful actions or misconduct of the employee; and provided further that any such payment for accrued vacation may be credited by the City to any sums or amounts the employee owes the City, or to damages resulting from malicious, intentional or grossly negligent action of the employee with respect to property or assets of the City.

Section 6.05. Longevity Pay.

All regular employees employed for one year or more shall be eligible for additional compensation at a rate of three dollars (\$3.00) per month for each full year of continuous service with the City. This pay will be awarded annually, as a lump sum, during November each year and only eligible employees who are in an active pay status on November 1st will receive this benefit. **Temporary employees are not eligible for longevity pay.**

Section 6.06. Compensatory (Comp) Time.

Compensatory time may be allowed as directed by the supervisor and approved by the City Manager. If a supervisor plans to use comp time for a project instead of regular time or overtime, the employee must be notified prior to work being scheduled and performed. The comp time rate may be based on regular time or overtime calculation, depending on the circumstances. An employee has the right to refuse comp time and request payment for the time worked. At that time, the supervisor must decide whether or not to utilize the employee for the project.

Article 7. Employment Verification and Termination

Section 7.01. Resignation.

An employee who wishes to leave the employment of the City should give at least two (2) weeks notice to the employee's department head before the effective date of the resignation. Such notice shall be in writing and shall state the reasons for such resignation. The department head shall immediately notify the HR Director or City Manager of such resignation and indicate the reasons therefore, and whether the employee's services have been satisfactory. In no case shall an employee be allowed to **schedule** vacation time during the last two (2) weeks of employment unless approved by the City Manager and the department head. Leave hours taken during the last two weeks of employment will be deducted from the employees' accrued vacation hours.

Section 7.02. Retirement.

All regular full-time and part-time employees are required to become members of the Texas Municipal Retirement System (TMRS). Enrollment shall be accomplished in accordance with the TMRS guidelines. Members contribute an ordained percentage of their gross salary each pay period toward retirement. The employee's and the City's percentage of contribution to TMRS is determined from time to time based on the City's level of participation in TMRS.

Details of the retirement plan are outlined in the TMRS handbook and available online at <http://www.tMrs.com/>.

The TMRS participates in the proportionate retirement program provided for by state law. Proportionate retirement permits a member of TMRS and certain other pension plans to combine years of membership with two or several participating plans, e.g. Counties, the State and certain cities that are not TMRS members. Prior service credit will be granted to employees for service performed for specific, various public entities, with the submission of proper paperwork.

Section 7.03. Termination Interview.

The employee's termination interview and final paycheck will be received from the City Manager or HR Director.

Section 7.04. Requests for Employment Verification.

Information regarding the employment of all current and former City employees shall be verified upon written request made to the City Manager or HR Director. In the absence of a written request signed by the current or former employee, the City Manager or HR Director shall be authorized to verify only the following information:

- (a) The date the employee began employment with the City;
- (b) The date the employee ended employment with the City;
- (c) The positions held while employed by the City;
- (d) The department(s) to which the employee was assigned while employed by the City; and
- (e) Verify salary.

No person other than the City Manager or the HR Director or their designee shall be authorized to act on behalf of the City with respect to the verification of employment information.

Section 7.05. Recommendations for Employment.

The City of Rockdale will not give recommendations for employment.

Section 7.06. Lay Off.

The City Manager may lay off an employee as a result of changes in duties or organization, or lack of work or funds. Where possible, a two-week written notice of lay-off shall be given prior to the effective date of the lay-off and no other notice will be necessary.

Article 8. Disciplinary Action

Section 8.01. Disciplinary Actions.

The City may deny or reject any application, appointment or promotion, or suspend, demote or remove any employee, at any time that the City Manager or the City Manager's designee determines that such action will promote the efficiency of the City's service.

- (a) **General.** In determining whether its action with respect to any employee will promote the efficiency of service, the City shall consider the following:
- (i) Whether the prior history and conduct of the individual evidences that the individual may reasonably be expected to interfere with or prevent effective performance;
 - (ii) Whether the prior history and conduct of the individual evidences that the individual may reasonably be expected to interfere with or prevent effective performance by the employing department or co-workers of the co-worker's respective duties and responsibilities; or
 - (iii) Whether the prior history, conduct, work related experience or performance of the individual evidences that the individual may not reasonably be expected to perform the job duties at an acceptable level of performance.
- (b) **Step-wise Disciplinary Procedures.** The following disciplinary procedures may be followed in the following order; provided that no employee has a right to progressive discipline and discipline may proceed directly to termination without following the preceding steps.

STEP 1: ORAL REMINDER

1. Documented by supervisor
2. Not placed in personnel file
3. Active for six months

STEP 2: WRITTEN REMINDER

1. Letter given to employee
2. Letter placed in personnel file
3. Active for one year

STEP 3: DECISION MAKING LEAVE

1. One shift off without pay to decide:
 - a. Does employee want to continue employment?
 - b. Will employee abide by all rules and policies?
2. If employee agrees to questions:

- a. Place letter in file
3. If employee does not wish to comply:
 - a. Employee resigns/terminated
4. Active one year

STEP 4: TERMINATION

1. Complete documentation
2. Place documentation in personnel file

Positive discipline is a single track program. Steps may be administered for any violation.

Positive discipline steps will be determined by severity of violation.

Severe violations may result in termination for first offense.

Inactive discipline may be used as historical documentation.

(c) **Specific Factors.** Among the factors which may be used in making a determination as to employee, in addition to those set forth in paragraph (a) of this section, any of the following may be considered as a basis for disciplinary action:

- (i) Delinquency, misconduct or poor working relationships;
- (ii) Improper Conduct. Criminal, dishonest, infamous, notoriously disgraceful conduct, or conduct not compatible with good public service, specifically including:
 - (A) Dishonesty. Article 15. Reservation of Management Discretion

Section 15.01. No Implied Limitations.

Nothing in this personnel policy shall limit the City in exercising the functions and discretion of management under which the City hires new employees, directs the work force, schedules hours of work, disciplines, suspends, discharges, or requires employees to observe city rules and regulations. The City reserves the right to amend, modify, and delete provisions of this and all other policies of the City. This policy is intended to set forth general guidelines that will be applied in most circumstances, however nothing in this policy: (a) prevents the City Manager from waiving any provision in a specific instance, case or matter; or (b) alters an employee's at-will employment status.

Section 15.02. Reservation Of Rights.

The City Council reserves the right to interpret, change, suspend, cancel or dispute, all or any part of this Policy, procedures or benefits discussed herein. Article 16. Social Media, Internet, Computers, and Cell Phones

Section 16.01. Social Media Sites.

For City employees, accessing social media websites (such as Facebook, Twitter, MySpace, etc.) or other non-work related websites (such as eBay, etc.) for personal reasons during working hours is not an appropriate use of our time and resources. No City employee may access social media websites or other non-work-related websites during working hours unless accessing those websites is part of an official criminal investigation or such website is directly related to employment duties and has been approved by the employee's supervisor. If a City refrigerator is utilized, the employee's bottles or containers should be clearly labeled with the employee's name. Storage in a City refrigerator is limited to no longer than the end of the business day when it is expressed. Should employer-provided facilities not be available, an employee may store milk in her own personal cooler.

Business Casual Guidelines

ACCEPTABLE Business Casual

UNACCEPTABLE Business Casual

The City of Rockdale encourages a professional, comfortable and appropriate work environment. City of Rockdale employees are expected to dress in a professional manner while at work. Employees that are not required to wear a uniform are allowed to dress in a business casual manner, including wearing jeans, throughout the work week. It is a privilege and a benefit to dress in business casual attire and it is critical that employees dress appropriately and professionally for work while enjoying this benefit.

Below is a list of guidelines for business casual dress allowed throughout the work week:

- Jeans may be worn throughout the week. Jeans must be in good condition and should not be ripped, frayed, torn or stained. (Allowing jeans during the work week does not mean that casual dress is permitted; employees should still dress in a professional business casual manner).
- On days that employees have important meetings, such as City Council meetings or Commission meetings, employees should wear attire appropriate for the meeting.
- Clothes should not be revealing, should fit appropriately and should be professional and appropriate at all times.
- Printed or graphic t-shirts will not be allowed, unless they are City of Rockdale logo shirts or other approved area support shirts. In general, t-shirts should be worn on Fridays or other days as designated by the city manager.

Supervisors are responsible for monitoring inappropriate attire and should address any issues with the employee. If there are concerns regarding these guidelines, supervisors are encouraged to talk with the city manager. Public Works and Police Dept will wear appropriate uniform designated by Dept Head.

Police Officers who are regularly scheduled to work forty (40) hours or more of work per week workweek cycle shall be full-time regular employee; however, Police Officers must actually work forty-three (43) hours of work per workweek cycle as regular time before a non-exempt Police Officer is eligible for overtime. Compensatory Time = (hours of work x 1.5)

Pay for week = (40 x hourly rate of pay)

2. Employee actually is at work four days for 10 hours each day and is off one-day of the week as a recognized holiday. The employee has 32 hours of regular time, 8 hours of overtime and an additional 8 hours of regular time for holiday compensation.
